Day 1:

Depart Eros (Windhoek) Airport or Hosea Kutako Airport at app 09.00 in the morning in a southerly direction to Canon Lodge. From here it is not far to the very impressive lookout points, that will grant you an unforgettable view of the second biggest canyon in the world. Cañon Lodge is ideally situated as a starting point for visits to the Fish River Canyon. It lies in the shelter of a granite hilltop on the sweeping plains of Gondwana Cañon Park. The twenty-five thatched en-suite chalets, built from natural rock and nestled among massive boulders, convey the impression that you are living in the lap of nature. The farmhouse with the reception and restaurant was completed back in 1913. Numerous implements, lovingly arranged as decoration, are reminiscent of the pioneering days of farming.

Day 2:

After breakfast and a short guided walk, today's scenic flight takes you via the Fish River Canyon and the southern Namib to Lüderitz. After a visit to the ghost town of Kolmanskop and a short town tour of Lüderitz, that takes us to places of interest in Lüderitz, lunch will be enjoyed at the Nest Hotel. After lunch, transfer to the airstrip for flight to Kulala Wilderness Camp, located not far from the famous Sossusvlei dunes.

Kulala Wilderness Camp, in the 37 000ha private Kulala Wilderness Reserve, commands a panoramic view of the valley and mountains beyond. It consists of 10 comfortable "kulalas" (meaning "to sleep" in Oshiwambo) with en-suite bathrooms and verandas built on elevated platforms for that spectacular view. The main area is raised to take advantage of the endless vista and comprises a lounge and bar under thatch. Meals are taken on the deck and guests can cool off at the sparkling pool.

This quaint desert town with its old-world charm and relaxed atmosphere hedged by desert and sea, is enhanced by lush green lawns and palm trees.
